MYSORE STATE RAILWAY.

OFFICE OF THE DISTRICT ENGINEER, MYSORE.

Notification dated 27*th August* 1938.

Sealed tenders will be received at the Office of the District Engineer, Mysore State Railway, Mysore, upto 3 P.M. on Monday the 19th September 1938, from Contractors for works in connection with "Improvements to Station Building and Indian Refreshment Room Kitchen at Hassan on Mysore-Arsikere Railway".

2. Tenders should be submitted only in special forms which can be obtained from the Auditor, Mysore State Railway, Mysore, on payment of rupee one, being the cost of the form.

3. The tender must be accompanied by a receipt of payment of earnest money of Rs. 75 to the Auditor, Mysore State Railway, Mysore, mentioning the above work, either in cash, Government bonds, Debenture bonds of Local Bodies and the Land Mortgage Bank in the State guaranteed by Government, or Fixed Deposit Receipts of Bangalore City Co-operative Bank, Ltd. No cheques will be received.

4. Tenders which give rates "as per estimate" or so much per cent above or below estimate rates will not be considered.

5. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer will not be taken notice of. The rates tendered should include all such lumpsum items.

6. The name of the accepted tenderer will be posted on the Notice Board of the District Engineer's Office, as soon as it is approved. No enquiries regarding the acceptance or rejection of a tender will be replied to.

7. Detailed estimates, plans and specifications, conditions of works and conditions of Schedule Agreement may be seen at the District Engineer's Office, Mysore State Railway, Mysore, on all working days between 2-30 and 4-30 P.M. When in doubt, the tenderers should always ask for particulars and details.

8. The contractor whose tender is accepted shall, before the acceptance of the Schedule Agreement deposit with the Auditor, Mysore State Railway, Mysore, cash or Government Promissory Notes endorsed in favour of the General Manager, Mysore State Railway, Mysore, the sum of Rs. 75 as security for the due fulfilment of the agreement in addition to Rs. 75 *vide* para 3 (Cash amount will not carry any interest). No cheques will be accepted.

9. The earnest money (referred to in para 3 above) of the unsuccessful tenderers will be returned as soon as possible after the tenders are disposed of while that of the successful tenderer will be accepted as part security for the due fulfilment of the terms of the Agreement.

10. The final acceptance of the tender will rest with the Superintendent, Way and Works, Mysore State Railway, Mysore, who does not bind himself to accept the lowest or any tender and who further reserves to himself the right to reject, without assigning any reason therefor, any or all the tenders or any portion of a tender, and also the right to accept a tender for any individual item or items without accepting the whole tender unless the tenderer expressly states in his tender that it must be accepted or rejected as a whole.

11. The work should be started within a week from the date of acceptance of the Schedule Agreement and should be completed before the 15th December 1938 with a guaranteed monthly rate of progress of Rs. 1,000.

12. Within a week from date of acceptance of tender, the successful tenderer, is required to execute the usual Schedule Agreement, in default of which his tender will be considered as cancelled and the earnest money forfeited to Government.

13. There should be no corrections or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

14. Rates once tendered cannot be enhanced on any account. Rates for non-tendered and non-estimated items shall be as per minimum Schedule of Rates of the Railway Department, or those fixed by the District Engineer, after working out data with ten per cent for contractor's profit.

15. Should any dispute arise in the interpretation of the clauses of the tender or in respect of any item or work or specification, the decision of the Superintendent, Way and Works, Mysore State Railway, Mysore, shall be final.

16. The accepted tenderer must make his own arrangements in advance for payment of royalties, toll, octroi, etc., in case he quarries stone, earth, kunkar, sand, etc., from Railway, Government or Forest land for use on this work, as this deparment will not concern itself regarding the payment, recovery of royalty, tolls, octroi, etc.

17. No claims for damages for delays caused by Officers of the department in the execution of the work will be considered, whatever may be the reason for such delays. Contractors should bear this in mind when tendering for work. Extension of time due to delays caused by the Departmental Officers will, however, be considered on the merits of each case.

18. The contracts should not be sublet.

Note A.—The contractor should at his own cost—

(1) Provide bamboos, rods, stakes, ropes and labour required in setting out the work.
(2) Provide mortar mill and shed to keep materials under cover and also for workmen.
